

ENTREPRENEURSHIP RESOURCES

A quick-reference guide to local organizations offering business start-up support, one-on-one consulting, and ongoing entrepreneurship resources across SLO County.

Getting Started

✓ MCSC Women's Business Center

Offers workshops, webinars, and one-on-one business consulting by topic. Also provides external resources and can assist in finding start-up grants.

mission-scc.org/womens-business-center-slo

✓ Cal Poly SBDC

Provides high-quality, complimentary business assistance to start-ups and established companies — helping entrepreneurs launch companies, create jobs, and attract capital investment.

cie.calpoly.edu/sbdc

✓ Cal Poly CIE HotHouse

A community space created by Cal Poly, the SLO community, and the CIE, supporting students and community members as they build new innovations and start business ventures.
